

V.D.T. de CASTILLA

EL PASO

TEMPRANILLO

El Paso Tempranillo blend has and will continue to leave an enormous impression on the the modern wine world. A powerful fruit forward wine that represents quality and affordability. El Paso has intense aromas of very ripe wild strawberries and a touch of rich toasty oak that give forth a pleasant sensation of chocolate covered strawberries. El Paso Tempranillo is a wine that can be enjoyed throughout the year. With a good balance between fruit, acidity and alcohol this wine can complement a nice roasted duck with plum sauce or a fresh green salad with walnuts and a drizzle of raspberry dressing.
